SIR:

In a Notice of Non-Compliant Amendment dated October 19, 2007, it was noted that in Amendment B, filed on March 26, 2007, there were two claims both designated with claim number 62, and two claims both designated with claim number 63. Renumbering of the claims was required.

Accordingly, the IN THE CLAIMS section of Amendment B in revised form is attached hereto, wherein the claims have been correctly renumbered, and the dependency has been corrected in view of this renumbering. In order to avoid confusion, the renumbered claims are being all submitted as new claims, rather than as an Amendment of previous claims. No other change has been made in the IN THE CLAIMS section.

The total claim count for paying the filing fee, despite the incorrect numbering, was correct, and therefore no additional fee is necessary.

Steven J. Noll
